RIGOR Unveiled

Registered participants receive a complimentary video-enhanced flipbook to Promote Teacher Expertise, Relationship Building, Instruction, Goals, Organization and Relevance by Douglas Fisher, Nancy Frey, and James Marshall

RIGOR Unveiled is a hands-on flipbook designed as a classroom observation tool that redefines rigor through five key indicators. Use it on a RIGOR Walk to identify teacher strengths, growth areas, and set goals.

Ideal for teachers, teams, instructional coaches, and school leaders, it offers valuable support for classroom observation and reflection.

Relationships
Instruction
Goals
Organization
Relevance

- Tabbed sections detail five key indicators for focused observation and discussion
- Observation rubrics include ratings, evidence, and "Next Steps" prompts
- 100+ video spotlights and 25 classroom videos demonstrate indicators in action
- Coach commentary videos deepen understanding
- Durable, easy-to-use flipbook format for teams or individuals
- "Spot It Happening" tool for real-time observation calibration
